

Master Classes by South Asia Studies Faculty at Columbia University Fall 2020 and Spring 2021

Professor Katherine Ewing, Director of the South Asia Institute, organized an interdisciplinary series of online "Master Classes" with Columbia South Asia faculty in 2020-21. The Master Classes provided an opportunity for students to hear faculty present their work, to meet and interact (remotely) with each speaker, and to become integrated into Columbia's South Asia community.

Friday, September 18: Sudipta Kaviraj (MESAAS)
